The Grand Valley Construction Association is pleased to introduce the GVCA Hall of Fame Award. The purpose of this award is to recognize individuals who have made a substantial contribution to the betterment of the Construction Industry, and to the Community through their commitment to serve. The recipient does not necessarily have to be currently active in the construction industry.

The nomination submission requires a listing and description of the activities the successful individual has been involved in, their leadership qualities, and their major accomplishments. This information will be helpful in insuring complete acknowledgement of the achievements of the successful individual.

The award will be presented at the GVCA Annual General Meeting evening dinner on February 16, 2010 at the Holiday Inn in Kitchener.

The current GVCA Executive Committee will review all nominations. All nominations will be held in confidence, and only successful nominees will be notified prior to the event.
