

GATEMANMILLOY

IS GROWING!

Gateman-Milloy Inc. an industry leading general contracting firm based in Kitchener is currently recruiting for an:

INTERMEDIATE ESTIMATOR

The successful applicant will have a minimum 5 years experience estimating ICI construction projects with contract values up to \$10M. They will be fully versed in the tender, design/build, and construction processes, and in their ability to read and understand detailed drawings and specifications. The Intermediate Estimator will have the ability to do drawing take-offs and prepare a full estimate incl. design/build from preliminary information in conjunction with our design and project management teams with minimal supervision. Familiarity with Timberline Estimating is a strong asset.

We offer a competitive salary and benefit package.
