

COMPANY: Hi-Tech Door Automation

JOB POSITION AVAILABLE: SALES/ESTIMATOR(Inside/Outside)

Hi-Tech Door Automation is a small, 19 year old distributor of Automatic Pedestrian Door Products, conducting business in the Southwestern Ontario region.

Supply and installation and the maintenance of products from two leading global manufacturers of door products, Hi-Tech Door Automation has succeeded based on a formula of premium client service and giving the customer exactly what he needs to make his project work efficiently and cost effectively.

The company is looking for additional sales people to help move the company to the next level by penetrating further into a growing market. Related experience coming from the automatic door, glass/glazing, locksmithing ,door hardware industries would be an asset , however candidates with other sales related experience would also be considered.

Benefits and a competitive compensation plan awaits the successful applicant.

Interested persons should email resume directly to thom@hi-techdoor.com

Thank you.
