Job Opportunity:

Business Development-Sales/Marketing Position

Baywood Interiors Ltd. is a leading, progressive; medium sized architectural millwork, and, store fixture, manufacturing company, located in the Huron Business Park area of Kitchener, ON.

We operate in the ICI, (industrial, commercial, and, institutional) construction fields, as well as, many retail store fixture environments.

In our 16th year of operation, **Baywood** continues to grow and diversify its operations, and, is looking for the right candidate to join our team.

Experience:

We are looking for a seasoned professional, who can hit the ground running from day one. The applicant would be expected to make extensive use of previous industry experience and contacts to further expand our brand presence throughout Canada, and, into the USA. Experience in the Architectural Woodworking/Store Fixture fields would be an asset.

Job duties/responsibilities:

The primary goal of the applicant would be to assist Baywood in successfully growing our brand. Using self directed initiatives, the applicant would be able to bring in new and sustainable business. Working in conjunction with our estimating and project management departments, the applicant would be able to successfully negotiate contracts with new clients, on an ongoing basis.

Reports to:

Director of Operations

Other Job Skills required:

Excellent phone and computer skills, including Microsoft Office.

Other attributes we are looking for is someone with a positive, pro-active, can do attitude. The ideal candidate must be highly motivated, aggressive, and, dedicated to the overall success of the company.

We are looking for someone that's results orientated, with a proven successful track record.

Remuneration:

To be negotiated based on experience, and a successful industry track record.

Resumes: email only to:

John D. Lassel, Director of Operations
email to: johnl@baywoodinteriors.com

Thank you to all who apply, however, only individuals selected for an interview will be contacted.
