

Eastforest Homes is an industry leader in the development of residential communities in south-western Ontario. Our goal at Eastforest Homes is to be the residential construction employer of choice & our core values create a safe & comfortable work environment to produce the best quality homes for our valued customers. Through the hard work of our dedicated & experienced staff, we have built an outstanding reputation over the past 15 years & are committed to seeking qualified individuals to join our team. We are currently looking for individuals to help us make a difference as a:

INTERMEDIATE DRAFTSPERSON

The successful candidate would be primarily responsible to alter base design drafting plans based on client selections. The candidate will have a post secondary school diploma/degree in architectural technology with their BCIN number or complete OBC courses. They will have a minimum of 5 years experience in the field of residential design. The candidate must have strong knowledge in construction & construction documents, in architectural styles. Solid working experience with a residential production homebuilder is a definite asset. Strong computer skills in Microsoft Office, AutoCAD 14 & Soft Plan 13 is an asset.

If you're driven to take customer service to the next level, & want to be part of a learning organization where professional development is encouraged, it's time you join the Eastforest Homes Team. We offer a challenging environment that fosters creativity & rewards excellence. Please email us at human.resources@eastforeshomes.com

While we appreciate the interest of all candidates, only those selected for interviews will be contacted. No phone calls please.
