

GOLD SEAL ON LINE COURSE

Construction Project Management (CPM)

This course is designed to help improve the written, oral and negotiating skills of estimators, superintendents, and project managers who must deal effectively and professionally.

The on line course does not have to be completed all at once. There is book marking included as part of the design of the course so that you can enter and exit the course depending on your available time.

This is a self-paced course, and will require at least 8 hours to complete. You can start anytime.

Upon receipt of your registration and payment, we will send you your user name and password to access the course.

Cost \$90.00 plus GST per person.
