Job Description

Acapulco Pools is an established, privately owned company specializing in swimming pool design, construction and service throughout North America. For over 40 years, we have been traveling across North America, leaving our mark along with some pretty amazing aquatic facilities for communities and families to enjoy for years to come.

We love our pools and our clients, but most of all – we love our employees! The Acapulco family consists of over 100 knowledgeable, passionate and fun individuals who all play an important part in bringing our projects to life. We work hard because we truly believe in what we sell, and the quality of our builds.

In addition to saving the world one pool at a time, we are strong believers in finding a balance and having a life outside of work. Our team is made up of road bike enthusiasts, wine connoisseur’s, professional Netflixers, frequent flyers, boat fanatics, dog walkers, devoted sports fans, swimmers (of course!) and so much more. Our philosophy is work hard, play hard. We are proud of the work that we do and we like to celebrate that and just about everything else!
