# ELECTRICAL APPRENTICE

**Are you reliable, hardworking and electrically inclined?  
Are you ready to learn a trade and start building your career?**

L. J. Barton Mechanical Inc. is currently looking for an Apprentice to join our dynamic team! This is an excellent opportunity for a team player with a positive outlook who wants to be a part of a growing Electrical division. Working with a professional and diverse group of tradespeople and office staff, this position offers comprehensive compensation including competitive wages, access to the group benefits and pension plan, and ongoing opportunities for learning and career growth.

## **Key Responsibilities/Qualifications:**

- Complete preventative maintenance, service and ICI construction work
- Attend skills-upgrading and other training periodically
- Participate in company safety initiatives
- Demonstrate a customer-focused, positive attitude
- Able to conceptualizes easily and visualize potential outcomes
- Good manual dexterity
- Detail oriented; pays attention to and cares about getting the "small stuff" right
- Knowledgeable about technological developments
- Solves problems effectively
- High school diploma (or equivalent)

**Email your resume with cover letter to [alison@ljbarton.com](mailto:alison@ljbarton.com).  
Please note, only qualified candidates will be contacted.**

## Build your future here.

*Established in 1990, L.J. Barton Mechanical Inc. has grown to be the 'go to' multi-trade contracting company in the communities and sectors we service, delivering a standard of care and excellence, quality of work, and value that exceeds industry benchmarks and customer expectations.*
