---

At Frey Building Contractors, our mission is to surpass customer expectations through superior quality and efficient design. We achieve this by employing talented and dedicated people who feel at home with a company that places a high value on mutual respect, integrity, positive communication and a rewarding work environment. Frey Building Contractors values resonate with, unify and motivate our employees.

Many of our employees have been with Frey their entire careers – 20, 30, 40 and even 45+ years. We provide opportunities to build a successful and rewarding life-long career in the construction industry. We invest in, and support each member of the Frey family.

### **JOURNEYMAN CARPENTERS AND CONSTRUCTION LABOURERS**

Frey Building Contractors is now hiring for the positions of Journeyman Carpenters and Construction Labourers. These positions are exciting, challenging and rewarding with a company that is highly regarded in the industry, and has a 50+ year history of growth and success.

#### **Minimum Qualifications:**

- Previous construction experience
- Motivated to do high quality work
- Valid driver's license, and own form of transportation
- Organized, reliable, punctual
- Professional, strong work ethic
- Safety conscious
- Good communication and customer service skills

Please submit your resume to [ryan@freybc.com](mailto:ryan@freybc.com)

We thank all applicants, but only those who are qualified will be contacted.
