## **We are looking for Concrete Cutters we are willing to train!**

**At RDK Concrete Cutting and Coring Inc., we are not perfect. But we work hard at investing in a company culture that is fully committed to our values.... Doing the right thing for our staff and customers is at the top of that list. You don't need a lot of experience to be a valued leader who lives honestly, works hard, does a great job and has fun earning a fair and solid living.**

A little bit about us... we have been servicing Southwestern Ontario's concrete cutting and coring needs for over 20 years. We tailor to the commercial, residential and agriculture markets offering a wide range of services including Hydraulic & Electric wall sawing, Electric & Gas floor sawing, Curb Cutting (including removal). Core drilling up to 24", Concrete Scanning and Barn Grooving.

### **We strive to live and work by simple guiding principles:**

- Family
- Love
- Humour
- Quality
- Productivity
- Honesty/Integrity
- Health & Safety of our employees and customers

### **What you will be doing:**

- Cutting/coring concrete and asphalt
- Working outdoors in all seasons
- Ensuring tasks are completed safely, on time, with a delighted client and that you are learning and growing
- Preparing and keeping a clean and safe job site (Organizing equipment, loading equipment, removing concrete etc.)

### **Must-Have Requirements:**

- Love working outdoors – in all of the seasons!
- A team player – we want someone who likes working in a team environment
- Enjoys working hard and having fun while doing it!
- Minimum 1 year of Construction experience
- Able to drive to and from the job site (valid Ontario G license in good standing)
- The legal ability to work in Canada

**We offer:**

- Monday to Friday hours, no weekends.
- Benefits after successful completion of 3 months working probation
- Good pay rate, with regular increases based on performance
