

Kingdom Construction Limited specializes in municipal infrastructure construction. Our construction teams consist of dedicated project managers, proficient office personnel, project superintendents and supervisory staff, all supporting teams of in-house civil, mechanical, and electrical disciplines. We are currently looking for a Site Superintendent to join our team for projects in Southern Ontario for long term permanent employment.

The Site Superintendent is responsible for all aspects of a project from award of contract to completion. Specific accountabilities include:

Key Accountabilities:

- Completely responsible for all project coordination
- High proficiency in controlling overall work of all divisions (i.e. civil / mechanical / electrical) with holding all trades accountable for their work to meet overall schedule planning.
- Main site contact for owner, consultant and engineers
- Work co-operatively with project support team members.
- Responsible to maintain a safe working environment. Be knowledgeable of all provincial safety regulations governing the construction industry.
- Proficient in blue print reading and specification interpretation and be aware of the full scope of work on the project.
- Thorough working knowledge of CPM schedule and planning tools for the project.
- Be knowledgeable and responsible for implementation and supervision of documentation requirements for project commissioning and equipment control logs (including green/red tagging).
- Responsible for preparing planning aids in coordination with the Project Manager
- Responsible for daily reports and logs

Education and Experience:

- Well rounded and extensive experience (3-5 years) in municipal infrastructure projects.
- We value academic achievement and direct field experience.
- A minimum of 3 years of experience with a General or Civil Contractor is preferred.

- Experience in Construction Management, or direct field experience in construction of civil works, concrete structures, water and sewage plants, industrial and commercial facilities is an asset.
- Thorough knowledge of construction methodology including formwork and heavy civil works.

Applicant Attributes:

- Time Management and Organization Skills (pre-planning, multi-tasking, documentation).
- Negotiation Skills.
- Excellent verbal and written communication skills.
- Effective problem solving and decision making.
- Strong Interpersonal Skills.
- Motivated, self-starting, competitive attitude.

Salary to be negotiated based on skill set and industry standards.

A comprehensive benefits plan including matching pension plan provided upon completion of probationary period.

If you would like to join our team, please submit a cover letter and resume to Jessica Molina at hr@kingdomconstruction.ca no later than 5:00pm on June 4, 2021.

Please note that only those selected for an interview will be contacted.
