

We're currently seeking a

## Site Superintendent

S.G. Cunningham is a Waterloo-based general contractor, serving South-Western Ontario and the GTA for nearly 45 years. Our team is positive and committed to building great communities! We're looking for a like-minded Site Superintendent who sets high quality and safety standards. To learn more about our company, visit [www.sgcunningham.com](http://www.sgcunningham.com).

### Responsibilities:

- Supervising construction activities
- Co-ordinating the work activities of various sub-trades
- Reviewing blueprints, shop drawings and construction specifications
- Ensuring all work is completed according to specifications and reporting any non-conformities
- Ensuring work progresses on schedule
- Enforcing site safety in accordance with the Occupational Health & Safety Act
- Ensuring construction personnel have the required safety training certificates
- Ensuring all on-site construction equipment is in good working order
- Motivating the crew to achieve desired results
- Ensuring job progresses on schedule by completing hands-on tasks as required

### Qualifications Required:

- Formal education preferred (college courses or diploma in construction techniques /technology)
- Ten years' experience in the construction industry
- Fluent in interpretation of blueprints, shop drawings and construction specifications
- Surveying knowledge: ability to lay out a building and set elevations
- Proven track record of completing projects on time
- Ability to troubleshoot problems with schedule and /or constructability
- Good communication skills to communicate with the Project Manager, employees and subtrades
- Comfortable with technology (cell phones, computers, email)
- Good understanding of construction documents: change orders, etc.
- Gold Seal Certification is an asset
- General knowledge of the Occupational Health and Safety Act and Regulations, as well as completion of relevant construction safety courses
- Valid driver's licence

### Ideal Candidate Attributes:

- Self-starter with a strong work ethic
- Organizational, communication and problem solving skills
- Ability to multi-task *and* keep an eye on details
- Positive attitude and a team player
