

Kingdom Construction Limited specializes in municipal infrastructure construction. Our construction teams consist of dedicated project managers, proficient office personnel, project superintendents and supervisory staff, all supporting teams of in-house civil, mechanical, and electrical disciplines. We are currently looking for a Junior Civil Estimator to join our team at our head office in Ayr, Ontario for long-term permanent employment.

The Junior Estimator will work with the estimating team to prepare all parts of an estimate that will be tendered under limited direction by the Chief Estimator. Specific accountabilities include:

Key Accountabilities:

- Assist in completing civil estimates for project tenders selected for competition.
- Responsible for accurate take-off of quantities from project drawings and specifications
- Work with the Estimating Team to tender complete construction projects as a junior estimator following Estimating and Tendering Procedures.
- Accurate and timely interpretation of project drawings, specifications, supplier and subcontractor quotes, proposals and other documentation
- Utilize, maintain, construction estimating software and database.
- Work co-operatively with estimating team and support other team members.

Education and Experience:

- Experience in municipal infrastructure, civil concrete and excavation projects.
- We value academic achievement and direct field experience.
- A designation of CET, P.Eng, QS, etcetera will be preferred
- A minimum of 2 years of experience in an advanced estimating role with a General or Civil Contractor is preferred.
- Experience in Project Management, Construction Management, or direct field experience in the construction of civil works, concrete structures, water and sewage plants, industrial and commercial facilities is an asset.
- Thorough knowledge of construction methodology including formwork and heavy civil works.
- Estimating and Scheduling software proficiency is will be considered an asset.

Applicant Attributes:

- Time Management and Organization Skills (pre-planning, multi-tasking, documentation).
- Negotiation Skills.
- Flexible application of skills.
- Good verbal and written communication skills.
- Effective at problem-solving and decision making.
- Strong Interpersonal Skills.
- Motivated, self-starting, competitive attitude.

Salary to be negotiated based on skill set and industry standards. (\$48,000-55,000)

A comprehensive benefits plan including a matching pension plan provided upon completion of probationary period.
