

## Building Inspector III

When you join the City of Guelph, you join a team of 2000 full and part-time employees who deliver services the community relies on every day. Together, we are bringing to life Guelph's vision of an inclusive, connected, and prosperous city where we look after each other and our environment.

As a regional top employer, the City of Guelph values its employees and offers competitive salaries, excellent benefit packages, opportunities for professional development, a healthy work-life balance, and many roles with flexible work options. Our corporate values are integrity, service, inclusion, wellness, and learning. Guelph is consistently ranked as one of the best places in Canada to live, work, and play—all good reasons to consider a career in this beautiful city.

### The Opportunity

Applications are being accepted for the position of Building Inspector III within Building Services. With a focus on quality customer service and continuous improvement, this position will be guided by the goals and objectives of the City's Strategic Plan and committed to the Corporate Values of integrity, service, inclusion, wellness and learning, the candidate will aid in the achievement of the Vision for an inclusive, connected and prosperous city.

### Your role

- Perform building inspections of all types of industrial, commercial, institutional and large residential construction projects under Part 3 of the Ontario Building Code.
- Assist mechanical inspectors with plumbing & HVAC inspections of all types of industrial, commercial, institutional and large residential construction projects under Part 3 of the Ontario Building Code, as required.
- Assist Building Inspector II's with inspections of low rise residential housing projects and associated ancillary buildings, as required.
- Provide support and advice to the Technical Lead, Commercial Inspections.
- Perform municipal by-law, business licence and liquor licence inspections.
- Recommend new methods and procedures related to industrial, commercial, institutional, and large residential projects within the scope of Part 3, Division B, of the Building Code.
- Provide guidance and direction to all intermediate and junior technical staff regarding building inspection services.
- Prepare and issue reports, letters and Orders in relation to on-site inspections.
- Issue Provincial Offence Notices and Information's under the Provincial Offences Act and attend court, as necessary.
- Establish and maintain good positive relationships with the public, professionals and City staff.
- Perform other related duties as assigned.

## Qualifications

- Experience related to the duties listed above, normally acquired through the completion of post secondary education such as, Architectural Technology, Construction Technology, Fire Protection Technology, a degree in Architecture, Building Science or Engineering (with a focus on structural or fire protection) and over 5 years' experience in a relevant role which includes industrial, commercial, institutional and large residential projects within the scope of Part 3, Division B, of the Building Code. Candidates with an equivalent combination of education and experience may be considered.
- Must be qualified with the Ministry of Municipal Affairs and Housing in the following categories:
  - General Legal
  - House
  - Small Buildings
  - Large Buildings
  - Complex Buildings
  - Detection, Lighting and Power
